SOFA LEG

COLLECTION

WHO WE ARE

Where Design Meets Ground

At Aadhaya Hardware, we believe that even the smallest detail defines a piece of furniture. Our Sofa Leg Collection is born from this conviction — engineered in Rajkot, Gujarat, with precision-grade Stainless Steel and finished to rival the finest European hardware brands.

From fluted rose gold columns to bold matt black cylinders, each leg in our AH-SL Series is crafted to elevate sofas, sectionals, and accent chairs from ordinary to extraordinary — making a statement the moment they touch the floor.
